Competition Regulations

(Full copy at climbscotland.net/competitions/fun-climbing-competition)

1. The routes are marked out in the climbing area and can be found on panels as per the score matrix
2. You have to climb 4 different routes
3. You are allowed 3 scored attempts at each of your routes. Only the highest score from these 3 attempts will be counted.
4. You do not need to use all of your attempts
5. There are 5 age categories:
 - a. U19 - born in 2007 or 2008
 - b. U17 - born in 2009 or 2010
 - c. U15 - born in 2011 or 2012
 - d. U13 - born in 2013 or 2014
 - e. U11 - born in 2015 or 2016
6. All age categories will be top rope categories
7. Visit the ClimbScotland webpage above for information on how to submit your score online.

How to calculate your route score

The final hold on each route is assigned a point value of 99, with the next hold down being worth 97, 95, 93, etc. (A difference of 2 pts per hold.)

Matching the final hold with both hands scores 100.

A climber having "held" a hold shall be awarded the point value of the hold.

A climber having "held" a hold *and* having made a climbing movement in the interest of progressing on the climb shall be awarded the point value of the hold plus one point.

The highest points gained of your 3 attempts per route will be taken as your overall score for that route.
